

of the Island City

Dear AIK Families,

I hope you are all doing well. Due to the shelter-in-place and school closures, we cannot begin our AIK registration on Monday, April 13, for the 2020-21 school year as originally planned. As soon as the shelter-in-place order is lifted and we have confirmed details about the 2020-21 school year, we will inform all families about the new registration dates and location.

The best way to view immediate updates is to regularly check our website at www.girlsincislandcity.org and to like our [Facebook page](#).

Thank you all and please stay safe and healthy.

A handwritten signature in blue ink, appearing to read "CCH", is positioned above the typed name.
