If you do not receive a confirmation email within 3 business days, please reach out to our registration email gp-registration@girlsincislandcity.org

What are the fees?

Proof of income for all contributing members of the household determines what your quarterly fee will be, unless you fall under the 4th tier (over \$90,001). Proof of income (e.g. 2 most recent pay check stubs or 2020 W2's, etc.) must be submitted when completing your child's registration forms.

When are fees due?

Your quarterly fee is dependent on your household income which is verified by pay check stubs, W2's from last year, etc. **Your quarterly fee is due in full once you receive your confirmation email with your spot approved, and at the beginning of each quarter for continuing members.**

Do you provide transportation?

We provide walking transportation (**rain or shine**) from Franklin, Love, and Maya Lin Elementary Schools. Staff meets the girls at a designated area outside the school and walks with them over to our program at 1724 Santa Clara Ave. We also provide driving transportation from Paden, NEA and Ruby Bridges, to Girls Inc.

For what ages does Girls Inc. provide service?

We serve girls 6-11 years old, 1st through 5th grades. If your daughter is 5 years old, once she has completed Kindergarten and turns 6 she can enroll in Girls Inc. afterschool program.

No, it is a flat fee for each quarter, no matter when you register or how many days per week your daughter attends.

Does my daughter have to be enrolled in Alameda schools to attend Girls Inc.?

No, we serve all girls from all cities, whether they are in public, private or are home schooled.

Is it OK if my daughter doesn't attend every day?
