**What are the fees?**

Quarterly Program fees are based on a sliding fee model. To determine what your fee will be, proof of income for all contributing members of the household must be submitted with registration. Please submit 2 most current paycheck stubs or W2's, and/or any other source of income. If your household income falls under the 3<sup>rd</sup> tier (over \$90,001+) no proof of income is needed.

**When are fees due?**

**Your quarterly fee is due in full** once you receive your confirmation email with your spot in the program and registration is approved. After that, fees are due at the beginning of each quarter for continuing members.

**Do you provide transportation?**

We provide walking transportation (**rain or shine**) from Franklin, Love, and Maya Lin Elementary Schools. Staff meets the girls at a designated area outside the school and walks with them over to our program at 1724 Santa Clara Ave.

**For what ages does Girls Inc. provide service?**

We serve girls 6-11 years old, 1<sup>st</sup> through 5<sup>th</sup>grades. If your daughter is 5 years old, once she has completed Kindergarten and turns 6 she can enroll in Girls Inc. afterschool program.

**If I sign my daughter up after a quarter begins, is my fee pro-rated?**

No, it is a flat fee for each quarter, no matter when you register or how many days per week your daughter attends.

**Is it OK if my daughter doesn't attend every day?**

She does not have to attend every day but we highly encourage her to attend every day so she receives the full benefit of the Girls Inc. programs.

If the day in question is an **AUSD district-wide early release day**, we will open when school lets out.
